		back with 10 cu.cm. of vaccine, allegedly as protection against influenza.	
25X1 25X1 25X1	2.	At about 8:30 a.m. on 2 February, after an address by a colonel which was followed by martial music, 2 lieutenant colonels, 6 majors and 10 captains with baggage left the Delius Kaserne heading toward Krampmitz. the recently arrived ammunition trailers were too lightly built. He complained that two of the new trailers had already been sent to the repair shop with broken axles. *	25X1 25X1 25X1
25X1	3.	A unit of 130 troops marched out of the Generals' Quarter in Neucr Garten on 3 February. All of the soldiers were tall and wore well-fitting uniforms. the unit actually numbered 300 men, and that the number of Soviet women billeted in the Generals' Quarter had been reduced from about 175 to 50. **	
25X1	ų.	large quantities of ammunition and signal and engineer equipment had been unloaded at the Wildpark railroad station during one week about 25 January. The equipment was stockpiled near the railroad station in a dump, about 25 acres in size, and subsequently picked up by troop units.	
25X1	*	The information indicates no change since report of 8 February 1951 The 18 officers observed departing were either reassigned or detached to a course of instruction.	25X1
25X1 25X1	报集	A special unit of about the strength specified has been observed there since the beginning of 1950. It seems to be an MVD unit or a guard unit of hand-picked men.	25X1
25X1	计字符	the unloading of ammunition in late January 1951.	 25X1
